

DEAF-HEARING COMMUNICATION CENTRE

ANNUAL REPORT 2019-2020

Deaf-Hearing Communication Centre

A FEW WORDS....

This fiscal year was marked by true ups and downs. We started the year strong, with some of the best performance we've had on many fronts.

We began the year with face to face meetings with congressional representatives, hosting events with community partners, and hosting a teen leadership camp for high school students from Pennsylvania and Delaware Schools for the Deaf.

Then COVID-19 happened. We pivoted to present programs online for our community members, ranging from comedy improv shows to call-in programs to help combat loneliness.

Through it all, our supporters showed they truly care about DHCC and helped us ensure we're ready for the future. Thank you!

A screenshot from one of our Deaf Night Live - Improv Comedy series. This brought together 4 Deaf actors from across the country and raised money in a virtual tip jar as shows and venues shut down. We went on to do 7 of these events, raising thousands of dollars for Deaf actors and artists!
